

Invitation

Learning Outcomes and Employment are core focus areas of Technical Education. Under the guidance of Hon'ble Chief Minister's Advisory council a Sub-group for Education and Skill development has been constituted in Rajasthan.

It has been decided by the Sub-group to make suitable change in curriculum of various Diploma Programs being conducted in state.

Suggestions are invited from Public, Industry experts and Academic experts for curriculum revamping.

Your suggestions are valuable for us. Please send your suggestions to Secretary, BTER in the prescribed format.
